

Rule clarification:
After consulting with VNEA Corporate, here is the final ruling:
Any forward stroke that contacts the cueball on the break is considered an attempt, whether it hits any object balls or not. This includes miscues and short strokes (meaning that you accidentally hit the cueball causing it to move forward). That means that these are covered in the VNEA Rules Booklet, section B, rule 2.
If the breaker hits the racked balls with the cue ball driving four or more numbered balls to a cushion or pocketing one or more object balls, the game is considered started. If the player fails to make a legal break, it is not a foul; however, the opponent has the option (1) accepting the table in position and shooting or (2) have the balls reracked and shooting the break himself or have the original breaker rebreak.
Please note: This does not include "whiffs" (not contacting the cueball at all).
